RE: Truett v. Sasol, et al
No. 18-cv-00550, USDC, Western District

Dear Judge Cain:

This will confirm my secretary's telephone call to your office today wherein she advised that the parties have agreed to a settlement of the captioned matter, which results in a full resolution of all claims. Based on the settlement agreement, we ask that a 60-day dismissal order be issued and that all pending matters be removed from the Court's docket pending receipt of the formal motion(s) to dismiss.

With kind regards I remain

Louisiana Proud,
